

Two Found Dead In Parked Car

The bodies of a Pontiac woman and her male companion of Detroit were found in an automobile parked on US-27 near the intersection of M-72 at about 8 o'clock Saturday morning.

The dead woman was identified as Miss Violet Pearl Cryderman, 22, of Pontiac, and the man as Dick L. Moreau of Detroit. Although the body of the man had no identification on it, identity was made through the check of license plates on the car.

Dr. C. R. Keyport, who was called by the Sheriff William Golinick, ruled that both deaths had been caused by asphyxiation. A defective muffler on the car, the sheriff said, had sent deadly carbon monoxide fumes back into the car.

The driver had apparently either pulled to the side of the road here before being overcome or had decided to leave the car running while he and his companion took a brief nap.

The sheriff said the car parked was first noticed about 4 o'clock Saturday morning in front of the Cardinal Grocery Store here. The sheriff added he was called about 8 o'clock by Roy McEvers, who operates a garage next to the grocery store, after a passerby had informed McEvers there were apparently two persons dead in the vehicle.

The motor of the car was still running when the sheriff arrived. An unsuccessful attempt to revive the man was made when it was found that his body was still warm.

The bodies were taken to the Sorenson Funeral Home here after both the man and woman had been pronounced dead by Dr. Keyport.

The remains of Miss Cryderman were taken to Sault Ste. Marie by the Vanderhook Funeral Home while the remains of Moreau were taken to the Sutton Funeral Home in Detroit.

Kiwanis Club Notes

Fred Welsh was in charge of the program at Monday night's meeting of the Kiwanis Club of Grayling. He was introduced by Don Gohro, program chairman.

The program was in the form of a strip movie with sound attachment, entitled, "Korea, the Price of Appearance."

The club decided to hold another White Elephant sale this coming Saturday afternoon at 1 o'clock at the Welsh Motor Sales showroom. Many items were left over from the first sale and several other good pieces of furniture and equipment was turned in too late for the initial Kiwanis White Elephant Sale. Remember the time 1 p. m. Saturday, place, Welsh Motor Sales.

Two Injured In Car Crash

Two persons were injured and two cars badly damaged in a collision Saturday afternoon at the intersection of M-72 and the McMaster Bridge Road east of Grayling.

A car driven by Albert J. Polder, 28, of Detroit, headed south failed to stop at the M-72 intersection and struck a car driven by Robert Kruman, 40, of Cincinnati, Ohio, according to Sheriff William F. Golinick who investigated the collision.

Mary Ann Oliver, 8, and her father, J. C. Oliver, 48, both of Cincinnati passengers in the Kruman vehicle were injured. The little girl suffered a severe cut over her eye while her father suffered a back injury.

A traffic violation ticket was issued to Polder by Sheriff Golinick for failure to observe the stop sign.

GRAND OPENING CHERVEN LANES

The Grand Opening of Roscommon's new bowling alley known as Cherven Lanes will take place on Saturday and Sunday evening, October 18th and 19th with a number of match games slated for both nights.

The new establishment is of cinder block construction 128 feet by 50 feet and houses eight new Centennial Brunswick bowling alleys complete with semi-automatic pin spotters and features the Brunswick Automatic Ball Lift on one pair of alleys. The building was constructed by Charles Pappas of Roscommon and it located adjacent to Bob's Tavern on M-18 just north of Roscommon. A snack bar is operated in connection with the alleys and the business is owned and operated by Mr. and Mrs. Al Cherven.

Out of town teams competing in match games over the weekend will come from Bay City, Standish, East Tawas, Gladwin, Midland and other neighboring towns.

Highlighting the out of town teams will be a match game between the Bosch Beer team of Bay City and the Summer Trails Inn team of Standish at 8:00 p. m. on Saturday night. The Bosch Beer team is the outstanding team in Bay City winners of the City Tournament in Bay City last year and the Champion of Champions tournament with Pete Born, Larry Angstrom, Ray Stasik, Bud Grabner, Jack Bullis and Joe Ahler completing the roster. Pete Born is considered one of the best bowlers outside the Detroit area and a regular 200 average bowler, he is former "State All Events Champion and four time Michigan State Lutheran Champion. Ray Stasik and Bud Grabner are both averaging over 200 in Bay City leagues. Angstrom is known throughout the state as a good tournament bowler and Joe Ahler was the leading left-handed bowler of the American Bowling Congress for a number of years and carried an average of over 200 for six consecutive years. And along with the match games there will be open bowling both days and nights.

Michelson Memorial Church School Notes

Sunday School settled into the fall routine Sunday with every teacher on hand and late registrars being accepted. Classes up to fourth grade were held. The church was filled and the polished wooden benches are a-jingle since Karen Lynn Lowry, Bonnie Nelson and Mrs. T. M. Haugh celebrated fall birthdays. In the kindergarten department some 30 four and five-year-olds lined up to be measured and were surprised to find how tall they were. Their superintendent, Mrs. Carl Johnson, was surprised to see how many there were, having recently escorted 20 promoted members up to the primary department where Mrs. Glenn Fenton is still wondering how to seat 20 first graders around one table.

A staff meeting was scheduled for Tuesday evening at which plans for the fall term were to be completed.

Mr. and Mrs. Art Worden of Grayling and Cleo Hinkle of Frederic attended a three day meeting of the Table Toppers held in Flint last week.

H. M. 3/Larry McNamara arrived home Monday evening after spending nine months in Korea. He is enjoying a 30 day leave with his mother, Mrs. C. J. McNamara.

Frank Wetman of Detroit has returned home after spending a week here bird hunting.

Delbert Joslyn Wounded Hunting

Delbert Joslyn, 17, son of Mrs. Harry Miller Sr., of Grayling is in Munson Hospital at Traverse City, recovering from an operation on Tuesday afternoon which was to remove fine bird shot from one eye and from his head.

Joslyn was wounded last Wednesday evening while hunting with Valde Watkins, 19, of Grayling near the East Branch of the AuSable River. The mishap occurred when Watkins fired at a partridge and Joslyn was in the line of fire, according to Sheriff William F. Golinick who investigated. The fine bird shot struck Joslyn, Grayling High School athlete in the shoulder and face.

He was taken to Mercy Hospital here where most of the shot was removed. The wounded youth was moved to Traverse City early this week for a delicate operation on one eye to remove a shot pellet.

Thieves Hit Second Store

Investigation is being continued by the Sheriff's Department, City and State Police on a rash of breaking and entering cases that have erupted in Grayling recently.

Following the breaking and entering and stealing of \$150 from Ron's Hardware last week, thieves broke through a window and wall in the Shirley Shoppe next door on the following night. Up to now, it has been impossible to determine if any merchandise was taken from the store. However, it was definitely established that the thieves did not actually enter the building.

After taking out the window frame and breaking through a plasterboard wall, the window was replaced and most of the moulting that held it into place. The window opened on a dress rack in the backroom of the Shirley Shoppe and it would have been possible to pull some garments through the window.

Besides these downtown stores, the warehouse of Krumer Beverage Distributors was also broken into recently and a number of cases of beer stolen. Likewise a theft was reported from the trailer home of Forrest Vincent at the Grayling City Trailer Park.

Sheriff William Golinick said this week that clues to the breaking and entering cases were very slim but the three pronged investigation was being pushed hard.

BITS O' TALK

Probate Judge Ray F. Clement was in Roscommon again on Monday and Friday of this week to fill in for Probate Judge Charles Madison of Roscommon, who is ill. Judge Clement said that he expected to spend the two days a week there until some time in November.

Mr. and Mrs. Lowell Whiting plan to leave for their home at Lake Margrethe.

Mr. and Mrs. Clarence Sherman have been down to see their son, Buddy Sherman and report he is getting along as well as can be expected and is to be moved soon from the West Branch hospital to a veteran's hospital.

Recent week-end guests at the Charles Corwin home were Mr. and Mrs. Donald Corwin and children of Clinton, Mr. and Mrs. Eugene Corwin of Flint, Mr. and Mrs. Al Stow, Mr. and Mrs. Lawrence Rhoades and son and Mrs. Charles Merkel of Ionia. Mrs. Merkel, who is a sister of Mrs. Charles Corwin, remained a week and the Charles Corwins drove her home.

Mr. and Mrs. Halford Kittelman of Chicago, arrived Friday to spend some time here and in West Branch coming to see the color.

The pats in these parts are determined to get into the pot. Hearing two odd noises coming from the barn, the Corwins went to find that two nice pats had flown into the porch which was "the end of the road" for them. The Smiths will enjoy a part-ridge dinner shortly.

Dr. Stanley A. Stealy attended the "A" Club breakfast and homecoming at Albion College on Saturday. He visited his sister, Mrs. Vera M. Sprague in Nashville en route home.

Mr. and Mrs. William Zimmerman, Jr., of Inkster, flew to Grayling on Saturday to visit the latter's brother and family, Mr. and Mrs. Robert Bovee. The Zimmermans returned to their home on Sunday.

Mrs. Harry Weldeman and daughter, Cynthia, who are visiting in Detroit visited her parents, Mr. and Mrs. John Brady over the week-end. Miss Sally Brady and Richard Brady of Detroit also visited over the week-end.

David "Skip" Hanson will leave for Ft. Riley, Kansas on October 20 for ten weeks and then to Ft. Knox, Ky., for 12 weeks to attend tank and armored vehicles mechanics school. Skip attended the football game in East Lansing Saturday and spent the week-end as the guest of Bob Moore, student at M. S. C.

Chamber of Commerce To Hold Open Meeting

At the regular meeting of the Board of Directors of the Chamber, held at the City Office, Thursday, October 9th, it was unanimously agreed by the Board to hold an open meeting on October 22 at 8 p. m. at the City Hall of all the Chamber members, for the purpose of electing new directors for the fiscal year 1953, and for changing the by-laws as follows:

Change the by-laws to reduce the number of directors from the present 15 to 9. To elect three directors for a three year period. Three for a two year period. Three for a one year period. Each year following three directors will be replaced, leaving six carry over directors. It is felt by the Board that this new procedure will strengthen the board in that programs started one year will have two-thirds of the old board to carry on the programs.

President Hayes, named J. Lorne Douglas, Art Clough, and Jerome Kessler to the nominating committee to select nine candidates from Chamber members for voting by the group.

Secretary will give an annual report at the meeting.

President Hayes also named a new Canoe Race Committee to represent the Chamber interests in the Michigan Canoe Championship Race next year. Named to the committee were Robert Bovee - Secretary, John H. Peterson - Start Chairman, and Jack Wilson, member. This group has the responsibility of formulating plans and operating the race with the communities of Oscoda, Mio, and Glennie.

GOLF CLUB TO NAME OFFICERS

A meeting has been set for next Monday evening, October 20 at 8:00 p. m. at the Grayling Golf Club at which next year's board of Directors and Officers will be elected.

All present directors and club members are urged to attend the session as several important matters of business will come up for discussion.

LEGION AUXILIARY

PAST-PRESIDENTS MEET

The Past Presidents Parley of the American Legion Auxiliary met at the home of Mrs. William Johnson for their October meeting. In the absence of the president, the meeting was conducted by the secretary. It was voted to change the meeting night to the first Tuesday evening of each month. The hostess served cake and coffee. Mrs. Wilbur Winslow, last year's president of the Auxiliary is a new member of the Parley.

Vikings To Houghton Lake For Friday Loop Game

Mio Drops Vikings On Pass Grabs

A steamed-up Mio eleven that intercepted seven Grayling passes and recovered a fumbled deflected Grayling Viking team at Mio last Friday afternoon by a 13 to 7 score.

Mio scored first in the second quarter on a sleeper play which covered 65 yards on the pass and following run. The try for extra point was blocked by Warren Hatfield, Viking center. Grayling roared back in the third quarter

to move 60 yards on a drive to scoring territory. The touchdown came on a pass from Monte Malonen to Duane Worden. A pass from Worden to Malonen gave Grayling the extra point.

With but a few minutes to go, Mio recovered a Grayling fumble deep in the Viking's territory and drove on to a score with but a minute and thirty seconds left in the clock.

This is the first game in which the Vikings have had any of their passes intercepted. The alert Mio pass defenders picked off seven of the Viking aerials hurled by Worden. Each interception halted a Grayling drive which seemed destined to go to the goal line.

The Vikings move into Houghton Lake this Friday afternoon for a conference battle with the Lakers. The game is slated to start at 3 p. m. The Lakers are reported to have a strong big team this year. The game should be a ding dong affair with the Lakers favored slightly over Grayling. The loss of end Delbert Joslyn, injured in a hunting accident, hurt Grayling at Mio and not being in the lineup at Houghton Lake will also be felt.

Blood Clinic This Friday

This is it! This Friday is the last chance for every civic minded citizen to show his or her desire to keep Crawford County protected, to help our boys in Korea, to take insurance on their lives. All this can be done simply by donating one pint of blood to the Michigan Blood Plasma program.

It has been mentioned before we are in debt to this vital program 58 pints of blood already — and if we, as a community, are to remain eligible for emergency blood products such as Anthemophilic Globulin, (used for severe bleeding), Immune Serum Globulin, used in treatment of measles, etc., and that life-saving, all-important, plasma. These very things that may save YOUR life as well as some unlucky boy in Korea — cannot be bought. They don't come from plants. They must come from YOU — in blood. Sign up today — for a donation Friday, 1 to 7 p. m. at Michelson M. E. Church.

Don't be a slacker in this crisis. Call 2821 for your appointment now.

Let's stop saying "This is Grayling" — Let's start saying "This is Grayling — Alive!"

Farewell Party Honors Mrs. Gerald Worden

Mrs. Gerald Worden (Jackie Koika) was the honored guest at a farewell party Friday evening at the home of Mr. and Mrs. Arthur Worden. The affair was an open house. Co-hostesses were Miss Maxine Koika, Mrs. Lois Wheeler and Mrs. Iris Madsen. Fifty persons were present. Jackie received many lovely gifts.

Following the party Jackie and her ten month old son, Michael Lynn, boarded the midnight train for Detroit en route to New York City. There on Monday evening she boarded a plane for Edinburgh, Scotland, to join her husband, who is stationed there with the Air Corps.

Things you'd like to know about your Railroad

THE CENTRAL IDEA

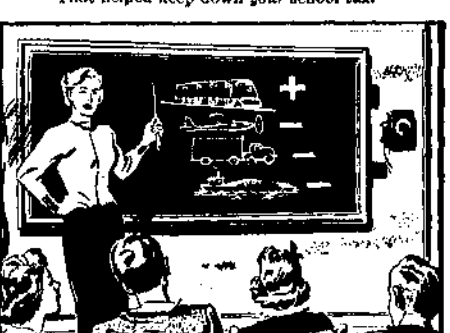

The Schoolhouse that Track built

NEW YORK CENTRAL SYSTEM

1. NEW YORK CENTRAL PAYS taxes on its tracks, bridges, stations and yards... just as you do on your home or business property. In Michigan, for instance, Central taxes totaled almost \$2,000,000 last year, most of it going to schools. That helped keep down your school tax.

2. AND WHAT A DIFFERENCE those New York Central tax dollars make. In district after district, they mean the whole difference between an out-of-date or crumpled schoolhouse... and the kind of roomy, sunny, fireproof modern building you want for your youngsters.

3. LESSON IN TRANSPORT TAXES. Only railroads lighten your tax load. Big, inter-city buses and trucks... airplanes... barge lines... all get direct or indirect government subsidies. And that means they actually increase by millions the tax burden on you and New York Central

4. YOUR GOOD NEIGHBOR, the Railroad, pays its way and pays taxes, too! Wouldn't it be fair if all carriers had to do the same? You'd benefit. And New York Central would be better able to provide the constantly improving service which is always the "CENTRAL IDEA."

Can We Have Just 'A Little Socialism'?

Many Americans seem to think that "a little socialism" is a good thing — a sort of leavening that will keep free enterprise on its toes, and provide some sort of a yardstick for measuring the efficiency of affected industries. And socialism can be stopped, they think, before it goes so far as to be really dangerous.

Those who think this would be wise to consider a resolution adopted September 3 by the British Trades Union Congress, which is the dominant voice of the Labor Party. The Congress over-rode the advice of its more cautious General Council and declared that if nationalization "remains restricted to a limited number of industries and services, the full advantage of social ownership will be lost." This frank acknowledgement of the inevitability of total socialism — which is the blood-brother of communism in everything but name — was frowned upon by the leaders of the Congress because of its possible effect on British voters. The rank and file, however, saw no reason to hide the true aims of the socialist movement.

Remember that, next time you see the government going deeper into the light and power business, the banking business, or any other business. Remember it when you hear politicians calling for more and more government domination of industry, agriculture, labor, or any other group. Socialism — like its opposite, freedom — is a cohesive whole. It is a whole-hog-or-none proposition. Lincoln said a nation cannot be half-slave and half-free. It is equally true that a nation can not be half-socialist and half-free.

Look at what those grim twins, socialism and communism, have done to much of the rest of the world. Then ask yourself if that's what we want here.

ARCHERS' HOLIDAY

An estimated 25,000 bow and arrow hunters will be roaming the Michigan woods this fall. Their quarry: a white-tailed deer — buck, doe or fawn, it doesn't matter except in Menominee or Chippewa county where only an antlered deer is legal.

The Robin Hoods enjoy a long season—October 1st to November 5th, yet their kill of deer is not likely to exceed the 2000 mark. Simple arithmetic proves that their chance of filling their license is pretty slim. Nevertheless it's hard to find an unhappy archer! The joy of the sport for them is the chase. Virtually all of them will see plenty of deer because Michigan's herd is large and well scattered. At least half of them will have one or more shots at deer, BUT there's many a slip!

The beginner — and many a veteran — is almost sure to suffer the shakes as he, or she, draws on the first deer. Getting buck fever, or in this case deer fever, is even worse with a bow and arrow than it is with a gun. Accuracy is impossible. Your muscles refuse to obey. Most of the time under such circumstances one just eases back the bow string and watches the deer wander off into the woods!

Best Approach

The best approach to the problem of getting your deer with bow and arrow is to let the deer approach you! Undoubtedly, stalking thru the forest Indian style is lots of fun. You may be able to sneak up on a deer, but these animals do not have big ears for nothing! Furthermore their sense of smell is astoundingly keen. So the best technique is to study the terrain carefully, find yourself a well-used deer run, get down wind from it and in a position from which you can get a commanding view for some distance. Then arrange a few branches on the ground, built up about waist high. This will be your blind. Get a box or camp stool, sit down, and wait. It's always a good idea to get into a spot like this before daylight, sit there until about 9 o'clock, and if you haven't had a shot by then go back to camp for some shuteye. Deer won't move much except in early morning and late afternoon. Get back in the blind by 4 o'clock and wait it out until dark. You'll see the deer—you can bet on that—and if they don't see you, hear you, or scent you chances are you'll get a shot or get the shakes. Either way it's another chapter in your book of adventure in Michigan Outdoors!

NEW FALL TIME

Mort Neff's "Michigan Outdoors" television show may be seen every Thursday at 7:00 p.m. on stations WWJ-TV, Detroit and WJIM-TV, Lansing.

Fall Tourist Business Appears Highly Successful

The term, "off season," is heard less frequently in mention of Michigan's tourist business, says Robert J. Furlong, Executive Secretary of the Michigan Tourist Council. Evidence of this is found in reports which indicate a highly successful autumn business in the state's recreational areas.

The beauty of her forests, invigorating weather, good fishing, upland bird and duck seasons and the bow-and-arrow deer season have combined to fill a gap in Michigan's vacation calendar that once was very evident after Labor Day.

"With this upswing in autumn business, the state's tourist industry is enjoying a very successful year," Furlong reports. "Reports from the summer season are most encouraging," he added.

The Tourist Council executive mentioned certain "measuring sticks" which indicate that tourists came to Michigan in increasing numbers during the 1952 summer. Traffic across the Straits of Mackinac, by the middle of September, was 17 per cent above traffic for the same period in 1951 and in 1951 an all time high was

recorded in Straits traffic. General highway traffic through out the state showed a nine per cent increase over the 1951 figure for the period ending September 15.

By September 20, 1952, tourists visiting the State Highway Department's information lodges at New Buffalo, Monroe and Menominee totaled 395,279. On the same date last year the total was 354,958. Long distance telephone call originating in the state's resort areas showed another increase this year over last. State park attendance through September 17 this year was up 14 per cent over the 1951 figure. Camping permits at these parks shows a 19 per cent increase. Conservation Department officials predict that by the end of the year attendance will exceed the previous record established in 1949 when 13,107,000 persons visited the state parks.

"Add to these the enthusiastic reports of chamber of commerce secretaries, resort operators, retail merchants and other interested persons in the recreational areas and we conclude that the summer tourist season of 1951 will go down as one of the best, if not THE best in the history of Michigan's multimillion dollar tourist industry," said Furlong.

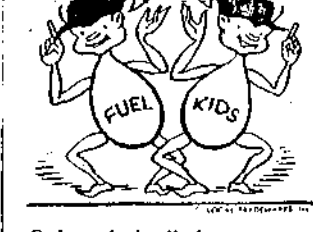

A combination of factors were responsible for this success, according to the Tourist Council official. He mentioned the favorable weather, but pointed out that Michigan's nearby competitors also enjoyed good vacationing weather. Efforts on the part of communities, counties, regions and the state itself to call attention, through advertising and promotion, to their vacation attraction was, said Furlong, a major factor.

"A continuation of these efforts is the best assurance for more and better summer seasons in the future," he added. "Such efforts must also be geared to autumn, winter and spring promotion, for Michigan has become a year-round playground with every season an 'on season' in the tourist industry."

The second building at Harvard University, finished in 1654, was named for the Harvard

Michelson Memorial Church News

In spite of the absence of several staff members and some whole family groups, Rally Day at Michelson Memorial Sunday School showed another record enrollment. As was to be expected, the Teachers' Institute vacation took several families on a long week-end, so that enrollment will not be completed until next week.

One very important change in policy went into effect Sunday when the Camp Award system was changed from a strict attendance basis to the widely-used Six-Point Plan whereby children are graded according to achievement as follows: Attendance, 30%; Promptness, 10%; Bible, 10%; Offering, 10%; Preparation, 30%; Activities, 10%; Total 100%.

The school has undertaken to send the 20 members who rank highest under this grading system to summer camp. Parents are urged to assist their children in carrying out this new program, noting that pupils must bring their Bibles, and their offerings must be in their numbered envelopes in order to be credited.

The quarterly and yearly attendance awards from nursery through the primary grades, and the Cross and Crown pins from Junior through Senior departments will continue on the same basis as before. Those receiving such awards Sunday were: Nursery, Anne Marie Church, Karen Lounsbury, Marilyn Joseph, Gretchen Hennig.

Kindergarten: Pamela Hunter, Janet Hennig, Barbara Eaton, Bobby LaChapelle, Linda Knibbs, Tommy Benware, 1 year; Rodger Olson, 1 year.

Primary: Jimmy Olson, Karen Atkinson, Arnold Stancil, Joey Robertson, Gary Russell, Arnold Stancil, 1 year; Jimmy Olson, 1 year.

Cross and Crown Awards:

Recent Vets May
Obtain Compensation

Recent veterans of the armed forces, who may be eligible to file claims for unemployment compensation under the Veterans' Readjustment Assistance Act of 1952 after October 14, today were urged to visit the branch office of the Michigan Employment Security Commission and register for work if they are not working.

Cecil Howell, manager of the West Branch office, which is to handle claims under this Act, cov-

ering payment of unemployment compensation to veterans, pointed out that there are several conditions which must be met to become eligible for benefits.

The West Branch office also serves Crawford County. A representative of the West Branch office will be at Grayling in the Court House from 1:00 P. M. to 2:00 P. M. on the second and fourth Wednesdays of each month.

This compensation is payable only to veterans who are unemployed for no reason other than that they cannot obtain a suitable

job. One of the requirements is that the unemployed veteran be registered for work with the MESC. Another is that he must be able to work, and available for work.

Mr. Howell also announced that his office of the MESC has full information on re-employment rights under the Selective Service Act.

He also stated that the purpose of the new veterans unemployment compensation legislation is to provide job insurance until the veteran can be successfully placed in a job he is qualified to do. The maximum amount payable is \$375, in weekly payments of \$26 for 26 weeks. The money will remain until used.

Veterans who are receiving mustering out pay cannot receive those payments for the same period. Nor can unemployment compensation for veterans be collected while the veteran is receiving allowances for education, subsistence or on the job training.

In addition, Mr. Howell pointed out, if the veteran had any credit under the Michigan Employment Security Act, for work before he entered service, he must draw those benefits first. The branch office at West Branch will be glad to advise veterans of their rights.

Veterans should bring their discharge or separation papers with them when they file the claim after October 14th, their social security card, and a list of the employers for whom they worked prior to entering service and up to date of claim.

eligible youths, should contact a high school teacher of home economics or agriculture, a county agricultural agent, 4-H Club agent, a local banker or Short Courses Department, MSC, East Lansing.

The fall term will be open October 27 with registrations, with the present ranks of 92 advance enrollees expected to be swelled before then. Both leadership and practical agricultural skills are taught.

The complete agriculture courses for men includes livestock, dairying, crops, farm management, poultry, soils, horticulture, farm mechanics, plant disease, bacteriology, farm insects and other subjects. Elective subjects include rural leadership, family relations, parliamentary procedure and public speaking. Some courses are co-educational and there is a home economics course for women.

Young men will live in the Short Courses Dormitory and eat at the Short Courses Cafeteria. Campus quarters also will be provided for women students. The associations and experience will help them to greater successes in farming and in rural leadership.

Banks in Michigan back the program annually with 240 Bank Scholarships and Sears, Roebuck Co. provides other financial help for students.

COUNTY NEWS

Have you noticed that sad, forlorn look on Charles Madill's face? Reason, his wife, Abbie, has gone away and Charles is living the life of a bachelor. Anyhow Abbie left Frederic Sunday with a patient from the Grayling Hospital, a Mrs. Bigham. The Sorenson ambulance took them to Detroit and from there they went on their way to Los Angeles, Calif. Mrs. Madill expects to be gone about two weeks. On her way home, she will visit friends in Denver, Colo., and we all wish her the best of luck on her trip, a safe return and all welcome her home and we will sure be glad to see Charles with that familiar smile again.

Mrs. Stack of Detroit is visiting her daughter and family, the Sajdaks, at the Au Sable Hotel, Frederic.

The Lances sure enjoyed a nice dinner, cooked and served by Earl Brown at his Frederic cabin Monday afternoon. Mr. Brown is a very good cook and loves to invite his good friends to have dinner with him.

Bob Cassidy of Frederic graduated from book school in the Air Force and expects to be home soon. His present address is: Sheppard A. F. B., Wichita Falls, Texas. Welcome home, Bob.

A card from Al Madill and

family, to the souvenir factory says they are sure enjoying their trip and Al hasn't even lost his hat, as yet. The card was mailed at Roanoke, Va. Their faithful employees are all doing their best but will sure give Norma and Al a hearty welcome home.

Max Tobin and wife, Beatrice, their son, Bill and wife, Eileen left Frederic Friday afternoon on a hunting trip, also visiting Mrs. Tobin's parents, the William Wixsons at Cheboygan. They returned home Sunday with bushels of rabbits and declaring a nice time.

The Fryer and Brown cabins were filled with friends from Owosso last week. Each one enjoyed the hunting and we are sorry to know the Fryers left Sunday for Owosso where they will spend the winter. Hurry back folks, we sure miss you already.

Arthur and Belva Babcock of Palo spent the week-end with their friends, the Lances, at Frederic.

The Kenneth Hadens are enjoying a vacation at their cabin at Jones Lake.

Ray Smith, wife and friends from Traverse City spent the week-end with the Fryers at Frederic.

Wes Atkinson, Bill Warner, Don O'Brien and Howard Griffin of Alma spent the week-end at the Atkinson cabin.

Charley McLaughlin, two sons and their wives of Detroit, spent Saturday and Sunday with the Lances at Frederic.

Mr. and Mrs. Richard Shawl and daughter, Deborah of Flint, spent the week-end in Frederic with Mrs. Shawl's mother, Mrs. Payne and other relatives.

Mr. and Mrs. Clarence Hill spent the week-end visiting relatives at Alma. All the cabins in Speedville were filled with hunters and many report a good catch of rabbits and birds.

Hugo and Norma Harnack of Pontiac have been spending several days at their Frederic cabin returning home Tuesday and will be welcomed back to Frederic in deer season.

Mr. and Mrs. Russel Thompson and his mother of Hillman, are on vacation, visiting relatives in Iowa. Their gas station was broken into Saturday morning at Frederic.

This week-end we will meet our good Owosso friends at the Quaker Inn and all enjoy the pheasant hunting near there.
